

One Partner. Every DI Opportunity.

From individual coverage to large institutional programs, DIS gives agents the expertise, technology, and support to place more disability insurance.

DI Markets:

- Individual Disability Insurance
- Medical and Dental Professionals
- Executives and High Income Earners
- Business Owner Protection Solutions
- Multilife and Executive Carve Out Opportunities

DIS Services

- White glove service from quote through commission
- Quote proposals delivered within 24 hours
- Access to leading disability insurance carriers
- Expert case design and creative placement solutions
- Cross selling and joint sales support

The DIS Difference:

- DI Analyzer for professional side by side comparisons
- Broker Portal with centralized case and business visibility
- Automated Increase Option campaigns that create new opportunities
- Custom branded marketing resources for agents and agencies
- Business reporting and production tracking tools
